APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One cubic feet per second.

Actual construction work shall begin on or before July 14, 1919.

Proof of commencement of work shall be filed before August 14, 1919.

Work must be prosecuted with reasonable diligence and be completed on or before July 14, 1920.

Proof of completion of work shall be filed before August 14, 1920.

Application of water to beneficial use shall be made on or before November 14, 1922

Proof of the application of water to beneficial use must be filed with State Engineer on or before December 14, 1922.

Proof of labor filed JUL 21 1919

Map filed DEC 15 1919

Cancelled JUN 15 1922 because of failure of June, 1919.

agreed to comply with provisions of permit.
